Vilo annual award „Zygmuś” in category POLYGLOT for Erasmus+ participant- Gabriela Opońska- project's added value

Gabriela Opońska is a linguistically gifted person who uses her abilities in many possible ways. She actively participated in additional classes of the Erasmus + Club, took part in a school exchange with Israel and in the project mobility in Portugal. During the revisit of the project partners, she professionally translated a mediation expert. Overall, she is helpful, inquisitive, interested in learning languages in depth and gaining knowledge. While being part of the project, she also improved and strengthened her soft skills. She communicates in English on a regular daily basis. Polyglot, a future linguist to whom we wish an international career.

Expert trainings during Blended Mobility to Poland

The last day of the project mobility to Poland was spent on the workshop entitled "Creative problems solving", organized by the sociotherapist Marzanna Grabarczyk, who inspired us to look at problems differently and how to solve them in an unconventional way. Students performed many creative activities that day...

Project workshops with the experts:

- workshops on active listening were organized by psychologist and mediator Magdalena Poptawska
- creative workshops with a school psychologist - Mrs. Anna Czerniakiewicz

Sustainability

Next year VILO enters national mediation program "Mediation in education" co-financed by the National Health Program for 2021-2025 provided by the Ministry of Education and Science and will receive training and implementation support in the period until 31.12.2023.
